

Receiving the Graduation Certificate

Once the list of the graduates has been announced by the University Council, the Evaluation and Graduate Information division will announce it on the website <http://reg.sut.ac.th>. Those who graduated can contact the Evaluation and Graduate Information division, the Center for Educational Services, Lecture Building 2 and receive the graduation certificate at the office hours, by either of the following methods:

1. Receiving the document in person by presenting the ID card, such as National Identification Card or Driving Licensing Card, etc., or
2. Authorizing someone to receive the document by attaching the copies of National Identification Cards of both the granter and the grantee and a completely filled Power of Attorney form.
